*First we eat,
then we do
everything else*

Inspired by the original Margherita recipe from Naples, Italy, our hand-pressed pizzas are crafted from hand-kneaded dough, mozzarella cheese, basil and olive oil and then baked in a wood-fired oven of exceptional heat for a very short time. The result - a delicately light and crisp base at the edges with a deliciously saucy centre.

While paying faithful homage to the original Italian classics, we remain certain our Casa Bella signature pizzas, pastas and grills will continue to delight for hundreds of years to come.
